Biography

**"Give me the wings of faith to rise, within the veil and see, the saints above,
how great their joys, how bright their glories be".**

Isaac Watts

David AttaKuma Dake's life history can be summed up as a self-made personality with unyielding determination to promote the wellbeing of his community, unbending loyalty, selfless sincerity and providing counselling service to many families and individuals.

David AttaKuma Setorwu Dake was born on 23rd January 1954, as a twin brother. He is the third child of Mr. Otto Kofi Dake, a Politician, Soldier and an Administrator and Deaconess (Mrs.) Regina Akosua Dake both of blessed memory and respectively from the Alodoe and Gblevi clans of Abutia Kloe. From the early age of three, the family saw him as a brilliant young child with enviable qualities.

Education

David began his primary education at Amedzofe Practice School, and later to Roman Catholic Primary School at Akatsi, both in the Volta Region.

After the unfortunate 1966 Coup which overthrew Dr. Kwame Nkrumah and the Government of the Convention Peoples Party (CPP), Fo AttaKuma was brought back to Ho to continue his schooling at E.P Middle School, Bankoe (Kpenyigba) and later at the Ho Volta Barracks Middle School where he wrote and passed the common entrance examination in form 3. Against all advice but buoyed with his adventurous nature he proceeded to Koforidua Secondary Technical School where he successfully obtained his GCE Ordinary Level in 1973. He proceeded to Winneba Secondary School and completed his Advanced Level Certificate education in 1975 as a science student.

From there, he gained admission to University of Cape Coast, a programme he successfully completed. He later enrolled at Norwegian Institute of Technology in Trondheim, Norway where he qualified as Mining Engineer.

Working Life

Deacon David AttaKuma Dake briefly taught at Jasikan Training College, and Anloga Secondary School in 1978. His ambition to become a Pilot saw him apply for Pilot trainee programme. Though successful in the application and the subsequent interview, lack of sponsorship for his dream career training saw him move to Liberia to seek greener pastures. He continued his teaching profession at the prestigious William Tolbert High School at Gbalatua in the Bong County of the Republic of Liberia.

He later moved to Norway where he secured a job with Andenaesgruppen an Investment Company in Oslo. While at Norway in 1981, he worked with Soguipeche a Norwegian/Guinean fishing company where he worked as an interpreter French to English.

In 1986, he together with Mr. Life Lundy his late Norwegian business partner moved to the Republic of Guinee to establish a Ship-breaking Company called Aluko Guinea on the Kasa Islands. He later partnered with one Mr. Stacy to found Eagle Mining Company as an Engineer and the chief administrator where he led in exploration activities in both Mali and Guinee.
David later moved to the US from Mali and returned to Ghana, his home country in 2013 to take up Farming and other businesses both in Ho and Accra.

Whiles in Conakry Guine, David always felt incomplete without a partner. Thus, while working as an Engineer, he met a beautiful lady: Miss Assatou Cisse of blessed memory. David got married to this beautiful lady and their marriage was blessed with three beautiful children, Daniel, Phillip and Princess. He was multilingual; fluent in English, French, and Dutch.

Christian Life

As a little baby he was baptized into the Evangelical Presbyterian Church here in Abutia Kloe as David AttaKuma Setorwu Dake. Later in life he managed to drop the Setorwu name. While in Guinea, he met the Lord and became a Born-Again Christian. He became a member of the Assemblies of God Church and from then started witnessing to people about the risen Lord, re-emphasizing the power of the risen Lord, Jesus Christ.

He read a lot and listened to music. He never ceased giving testimonies about the Lord Jesus Christ. He joined the Full Gospel Businessmen Fellowship International as a member of the Ho Chapter. He was a speaker on some occasions.

Family Life

He led a very buoyant family life. At home, he became a father to all and developed a good rapport with all. He actively participated in all family programs and was never found wanting. Romantically, though a man of principles he was a lover of music. He was a great lover of jazz music. In addition, he was a very good storyteller. Some of his popular sayings include;

"Everything that comes your way is for your good"

"Everybody goes to the barber"

In February 2021. David fell sick. All medical attempts to heal him proved futile. He passed on to eternity on Monday 26th July 2021. May his Soul Rest in Perfect Peace.

Fo David continue to rest in the bosom of the Lord.

Fare thee well till we meet again.

Babaa! Babaa! Babanawo!

Tribute by Children

Love leaves a memory no one can steal, but death leaves a memory no one can heal.

Our father, David Attakuma Dake, would now and forever remain in our memory, a gentle, thoughtful, strong, intelligent, dedicated, honest and charitable man. He sacrificed his years doing good for his children, family, friends, and community. This he did without wanting or expecting anything in return.

Our father set an example to others, for his leadership, integrity, and loyalty. There wasn't anything our father wouldn't do to make the lives of his children and those around him better.

His joyful, positive spirit, along with his acceptance of everyone he knew was remarkable.

Albert Einstein said, "the value of a man should be seen in what he gives and not in what he is able to receive." In one word, Papa was a man who gave. He gave much to his children, family, friends, work, and community.

Papa always allowed us to make our own choices in life and always offered his support and guidance even though he sometimes didn't agree with what we wanted to do.

He offered his full support for our decisions and choices, provided our decisions were in line with the word of God. In recent conversations with us, he told us, to follow our heart and do what we want to do, not allowing anyone to impose or force us to do anything against our will. We have come to know and believe that our father believed in us.

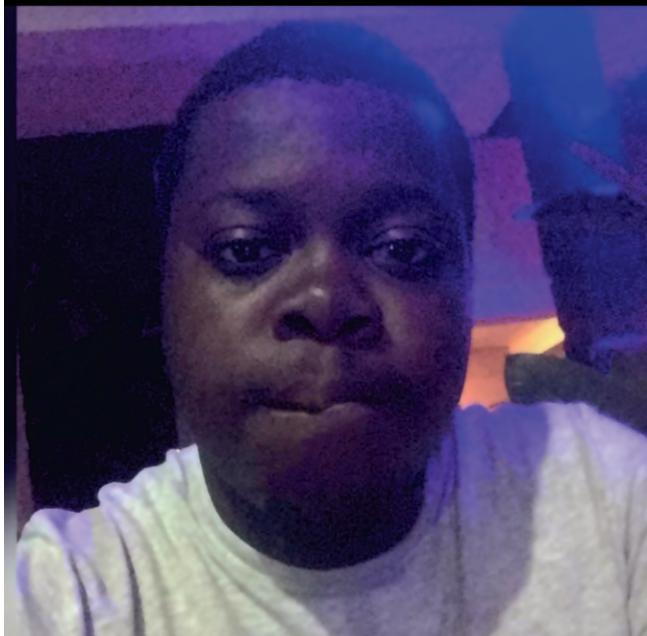

The greatest gift a man can give his children is the Gospel of our Lord Jesus Christ. That is exactly what Papa gave us. He made sure we went to church, said our prayers, read our bibles, gave tithe, and did everything God expects from his children, according to scriptures.

The security he wrapped around us made us sure that we were loved. We are therefore of the firm conviction that his love will always be with us. We'll remember dad's love for us.

With these words, we can't help but take consolation from the fact that you indeed knew about a day like this. We trust that everything happens for a reason, even when we are not wise enough to see it. More ultimately, we are consoled with the trust and hope that you have been called by your maker who will give you eternal peace and joy.

Thank you, Papa, for all the wonderful times you have given us and the affection you have shown us. They are forever etched in our memories.

**Papa, David, adieu!! hede nyuie !!!
Till We Meet Again in Greater Joy and Love,
Rest in Eternal Peace.**

Tribute by Siblings

*Brothers and Sisters, We do not want you to be uninformed about
Those who sleep in death, So that you do not grieve
Like the rest of mankind, who have no hope. For we believe that Jesus died and rose
again, And so we believe that God will bring with Jesus
Those who have fallen asleep in him.*

1 Thessalonians 4:13 -14

Efo Attakumah! You will be remembered as the Strategist, the Counsellor, the Problem Solver, the Humanitarian, the Comforter, and the Formula Man. You were a Provider, a Friend, a Brother and a Father. It feels like a dream but it is finally dawning on us that you are gone. How can all this be true? How can we accept the fact that you are no more? We wish you were still here with us enjoying life, but we can understand that God looked around his garden and found an empty place. To fill that gap, He looked down upon Earth, saw a beautiful soul, put his arm around you and lifted you up to rest with him till eternity. But Fo Attakumah, just know that we love and miss you dearly.

As children we lived together and were literally joined at the hip. We lived in an environment that guided your strict, principled but caring and loving nature. You were a bit hard on the younger ones, but at the same time you protected us with your life. It is your protective nature that makes us believe that you are watching over us and will protect us even more, now that you are free from worldly toils. You were the Formula Man, the Man of many parts, the Man of Noble disposition. You were fearless, self-confident but humble and ambitious. You wanted to create, build, lead, help, and love; you wanted to leave this world a better place than you met it.

Your love for gospel, and countryside music was beyond comparison. The fact that you spoke and understood French, Spanish and German in addition to English, Ewe, Ga and Twi left us your siblings in complete admiration and respect for you.

We grew up separating from each other as most siblings do. We had our own set of friends and our own set of goals for our lives, but that still didn't change the fact that we were siblings. There was nothing you wouldn't do for us and nothing that we wouldn't try to do for you. We will miss being able to call you anytime and spend hours talking about everything under the sun. We will miss all the laughing during good times and the crying during bad ones.

Your life showed us a lot of things. It taught us how to be a family, how to protect ourselves and stand up for each other. The family meetings you organized pushed us to be up to our responsibilities. You were our prayer warrior, peace maker, and family unifier.

Yes! We learned a lot from you, but you failed to teach us one thing; how to let you go. Maybe it was deliberate because you didn't intend to leave us this soon.

Efo! For us, it was a dark Monday, because your departure was too sudden. We are brokenhearted and crushed in spirit, but you taught us to believe that God is closest when we are in despair.

We truly believe that God specially gave us a unique and perfect brother; kind and compassionate with more affection than anyone can share. You exhibited love to all without any form of discrimination. It is an undeniable fact that you were committed not only to your children, but to ours too.

Wofa Attakuma! You were a blessing to us. But today, though we are in grief because our paths have changed, the bond between us will forever remain strong.

Though we mourn you, we know that thousand words cannot bring you back because we have tried. We are in distress, but know our tears will not bring you back either because we have cried.

So, Wofa, Torgah, Efo, we wish you sweet sleep although there is so much you have left undone. Today, the sky has become night for you. But after night, the day will break.

Therefore we will wait, hoping in prayer to see you awake when we re-converge, never to part company again.

**Adieu Brother!
Ciao Efo!!
Farewell Fo Attakumah!!!
HEDE NYUIE!!!!**

Tribute by Nephews & Nieces

WOFA ATTAKUMA, we still can't believe we are writing a tribute because of your passing. Words cannot describe this difficult moment, but if this is the last time we got to say goodbye then we know we will do so with the knowledge that we consider ourselves blessed to have lived this life as your nephews and nieces.

You touched so many lives by your selfless and countless acts of kindness, always giving and never expecting any favours in return. Your dedication to a course was what set you apart.

You were relentless when it came to issues pertaining to your nephews and nieces and never hesitated when called upon. Uncle, you were and will always be an inspiration to us, the entire family and anyone who came across you, especially when it comes to your humble nature. You have left a void in the family that will never be filled. While we mourn today, we also take comfort in the fact that your mission on earth have been fulfilled.

I guess this is our final goodbye since we never got the chance to do so. Rest in peace WOFA, we will definitely miss you.

**We thank the Lord for your life and bid you
farewell until we meet again.**

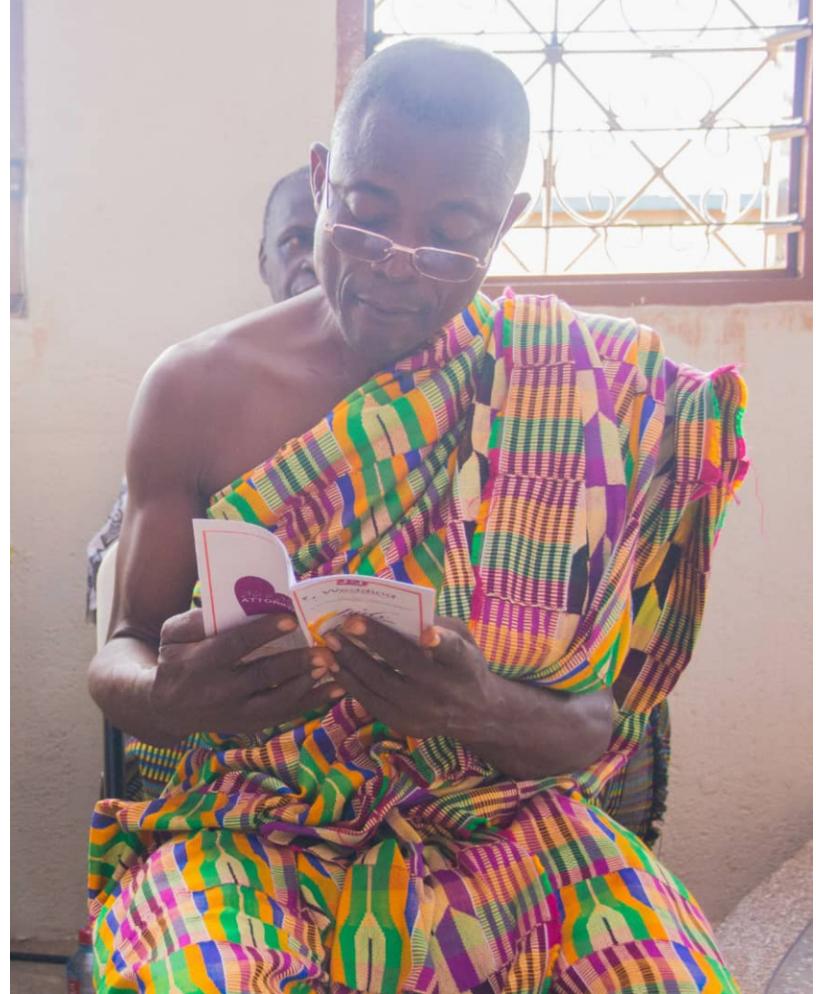

Tribute by Church

Parting comes in life and hearts are broken, loved ones go with words unspoken.

We find our consolation in the word of God which says "I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day and not only to me, but also to all who have longed for his appearing. (2 Timothy 4:7-8)

"Don't grieve for me, for now I am free, I am following the path the almighty God laid for me. I took his hand when I heard his call, I turned my back and left it all. If my parting has left a void, then fill it with remembered joy. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life has been fulfilling, I savored much, good friends, good times and great fellowship shared. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now and so He set me free."

Deacon David whose lifeless mortal remain lay before us today, joined the Emmanuel Assemblies of God Church in the year 2005 as a born-again Christian. He was an assemblies of God member in Guinea so decided to remain part of the family here when he returned and has since until the day of his demise been a committed, loyal, faithful and supportive member of the church.

Deacon David actually joined the church in its difficult moments when it was struggling for a place of worship. He approached the lead pastor then Rev. Alex Dzandu with words of encouragement and also promised to get the church a permanent place of worship which he fulfilled by donating 2 plots of land to church for God's work. To God's glory the church is currently and permanently situated on that parcel of land. He also single handedly took it upon himself to be paying the rent of the Church's mission house due to the financial constraints facing the church. Our prayer is that the blessings of God attached to this act of sacrifice transcend to his children, grandchildren and generations yet unborn in Jesus name Amen!

Deacon David with passion and zeal placed his knowledge, capabilities and potential at the disposal of the church. He was so committed to service that he never absented himself not even once from board meetings or church service whenever he was around. Aside performing his duties with dedication as a deacon, he also with a humbled spirit served loyally as an associate to the pastor by conducting services and performing other pastoral duties anytime he was called upon in the absence of the lead pastor.

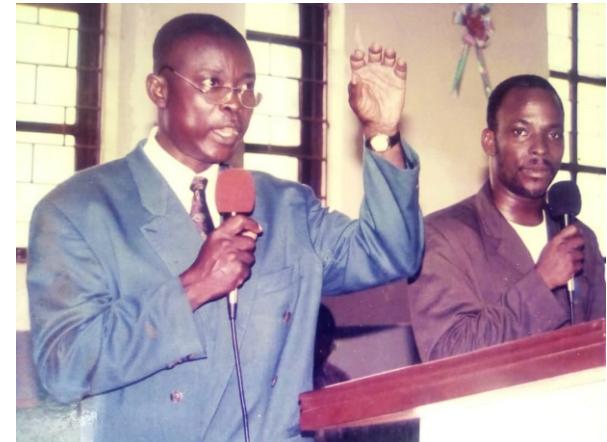

Deacon David was very principled and also very passionate about "the great commission" (Missions). He shared a vision of organizing a mega crusade with the aim of winning the Abutia community for Christ. Unfortunately, this great vision of his hasn't seen the light of day before his sudden departure.

He had strong faith in the lord, he believed earnestly in the word of God and in prayer and was always interested in prayer programs. We have lost a committed and devoted member. With the passing of Deacon David, Assemblies of God, Ghana, the Christian family and the Abutia community have lost a great and true servant of God. He completely dedicated his time, talent, leadership skills, wealth, and interest in the work and ministry of our lord. He has been a sterling example of love for his fellow men. As a great Christian leader, deeply loved by lots of people he will be greatly missed by all. May God bless and keep alive the memory of his devoted life of faith and service.

He made a significant and lasting contribution to the development of the church both physical and spiritual. We testify by personal association and fellowship as a church that he was indeed a teacher of the word of God who always wanted his students to understand what the Scriptures says. We can faithfully describe Deacon David as a pastor who was at all times interested in people's predicament and cared for everyone without discrimination, a missionary who wanted the progress of the kingdom work to save lost souls.

Deacon David has actually left an indelible mark and a great vacuum in the life of the church he so much loved. We will miss him and his memories will forever remain in the heart of the church for generations yet unborn to hear of such a great man of God.

Till we meet again in eternity, Deacon David Attakumah Dake,
we say God be with your departed soul and grant you a peaceful
rest
Amen!

EP HYMN 57

Death, a necessary end, will come when it will come. Yes! We, in FGBMFI are aware of this basic truth of life but, Mr. Dake's sudden departure came to us as a shock and a big surprise.

Mr. David Dake, a fine gentleman, deep in scriptures, very friendly and soft spoken started attending our meetings in April, 2016. Gradually as demanded, he was taken through the first timer's class, a programme he successfully completed. He finally became a recognized member when he had his FGMBF pinning in December 2016. Mr. Dake walked and behaved the Full Gospel way. He was punctual to our seminar and outreach meetings. He participated in all prayer and camp programmes and

played roles at all our events except being a Main Speaker. His demeanor endeared many to become friends with him in the fellowship.

Along the line, in the early part of 2021 when we started the in-person meeting, we realized some lapses in his attendance to seminar and outreach meetings. When we enquired, his in-law, Rev. Opare, also a staunch member of the fellowship, divulged to us that he had been battling with some ailment.

As a fellowship that believes in prayers and the healing power of our Lord Jesus the Christ, we quickly prioritized him on our prayer list and also visited him, prayed with him and asked the healing hand of God Almighty to touch and heal him of any infirmity. We also prayed for the will of God to take absolute control of him and his entire household. He was a major prayer concern at our seminar and outreach meetings

On 25th July, 2021 the will of God was done, Mr. David Dake was called to rest from his struggles and pains and we were told that he was in a prayer mood even at the last minutes of his life. He was very confident about his next destination and even gave us words of encouragements not to worry. Mr. David Dake, We, your fellow FGBMFI, Volta-Oti Region members have gathered here standing by your remains with teardrops running down our faces bidding you farewell. It is hard for us to do this, but all we can do now is to say; Rest peacefully in the Lord.

We watched you suffer. We heard of your pains and suffering day by day. It caused us bitter grief to see you pine away slowly and couldn't give you any relief. We are really sad but, at the same time, we are grateful that your weary hours, days of pain, and troubled nights are now over. In our aching hearts, we stand here with you and pray that God forgives you all your flaws and sins and give you a peaceful rest. The depth of sorrow in our hearts as we stand here cannot be expressed, but we take consolation in the fact that you have accepted Christ as your Lord and Personal Saviour. It is refreshing to know that you had accepted that Christ is the solid rock on which you stood and that, all other ground is mere sinking sand. It is our prayer that the heavenly host accept you and may God find you worthy to be part of the saints, cleansed of all your faults to be able to stand before his throne.

We are all devastated by your loss. This is not just the Dake's family loss, it is also a Full Gospel Business Men's Fellowship International. If we had the power, we would have asked for a few more years for you, so that we can be witnesses to that your powerful testimony of God's healing, but alas, God's ways are beyond humans.

We can only say REST WELL OUR DEAR COMRADE, DAVID ATTAKUMA DAKE.

May your dear soul rest well!

Journey on peacefully Attakuma Dake David!

Lie on in peaceful sleep comrade Dake David Attakuma!!

His Banner Over You Is Love!!!

Tribute By The Chiefs & Elders Of Abutia-kloe.

It's with great honour & respect that we pay this tribute in remembrance of our beloved son, Mr.David Atakumah Dake. His death to us, the Chiefs & Elders of Abutia-Kloe, an immeasurable loss for many reasons.Indeed, David Atakumah Dake is a direct son of The Royal Tsixo-Dake family of Abutia-Kloe. We're therefore not surprised that he devoted much of his time & efforts to promote peaceful coexistence & togetherness between the people of the royal family in particular and generally with the citizens of Abutia-Kloe.

At the traditional & Chieftaincy Level, Mr. David Atakumah Dake will be remembered as one of the few citizens of Abutia-Kloe who championed and strategically fashioned a roadmap that eventually led to the successful installation of KLOE FIA, Togbe Kwame Ayipe VII. The current King of Abutia-Kloe. Also, we shall always remember Mr. David Atakumah Dake for singlehandedly, writing a proposal to an NGO in The Netherlands which led to the building of a new block for our Kindergarten. This NGO also helped to build a Public Toilet for citizens but was unfortunately demolished recently due to reasons that cannot be stated here.

Indeed, time & Space will not permit us to enumerate all his success stories in Abutia-Kloe. However, we can beat our chest and boldly say, we have lost a gem, too difficult to replace. But we pray and hope that The Lord God Almighty would replenish the stock he is leaving behind with the same kind of brain, heart & comportment for peace and human quality, so that our society would continue to benefit from where he left off. With one voice, we the Chiefs, Elders and the entire citizens of Abutia-Kloe say to you, Mr.David Atakumah Dake, that you have played your part successfully as an eminent son of Abutia-Kloe.

We will miss you honestly but we are sure The Lord shall comfort your soul.

Rest in Perfect Peace until we meet again in the Bossum of The Lord.

Amen.

Tribute from Guinea

He was here in GUINEA and left his indelible prints in both circular and in the Christian community where he served with One Heart.

Mr. Dake, he helped give life to Eagle Mining Company, once at Villa 15, A.U Village, where he was chief administrator that beat all marks. Because, as a trained Physicist, it was impossible to undercut and undermine him. He was there, he led his team and he conquered and left positive results to speak for him in Mining Administration.

In the Church, Mr. David was the renowned and laudable interpreter, who interpreted from English to both French and Susu for the entire Body of Christ in the city of CONAKRY when the need was. Both were languages foreign to his childhood, but which he mastered with absolute ingenuity. He was our intelligent friend and Brother, who simply has changed his State.

We can't but mourn him.

Good bye brother David. May your solace at the bosom of Our LORD Jesus Christ be permanent and Eternal.

We hide in the Holy Spirit and wish that his entire friends and family will find the desired consolations due them.

Amen.

TRIBUTE FROM A FRIEND

My name is Amadou Bailo Diallo a, Guinean by birth and nationality.

I first met Mr Dake in 1981 at a company called Soguipeche a Norwegian/Guinean Fishing Company where he was for us as a company an interpreter from French to English. From thence we became intimate relations.

He began with the first Cement Factory to have existed here in Guinea with another Norwegian Company owned by Lundey. After Lundey left, Kumley also came and worked with David, with whom he collaborated for some years.

I am a Muslim, he lived his entire life as a Christian, but the intimacy between us went beyond religion. There was never any difference between us. Whatever he did, he shared with me as a brother and so did I as bonded friends until I left in 1987 for America. By the time I returned, in 1998, we resumed our friendship like we were never separated. He was as dear and close to my heart as possible. When I began my own business, he stood out for me as a backup in counsel and advice. He was later to join with Mr. Stacy to found Eagle Mining Company, where he was the chief Administrator and he quickly helped me to be their local contractor before they eventually moved to Bamako, in Mali before he departed for the US from where he returned home to Ghana.

I feel moved by his death and have lost one of my best own. There won't be David anymore to take me around when next I visit Accra. He never took more than he could bear. He couldn't stand debts. He hated being indebted to people regardless the pressure he found himself in. For sure, he never owed anyone here to the best of my knowledge despite his over thirty five years spent here in Guinea.

He will forever be missed. His place in my life as a friend is irreplaceable. Quiet, honest, religious and loveable. Everyone just had to love him.

Goodbye Brother David. Stay in the calm hands of your GOD for whom you were since we came together as friends and brothers.

**Bye bye friend. Bye bye brother
Goodbye Mr. Dake David.
Have a safe journey home.**

HYMN 1 –**HOW GREAT THOU ART**

Oh Lord, my God
When I, in awesome wonder
Consider all the worlds Thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed
Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
When Christ shall come, with shout of acclamation
And take me home, what joy shall fill my heart
Then I shall bow, in humble adoration
And then proclaim, my God, how great Thou art

Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
How great Thou art, how great Thou art

HYMN 2 – IT IS WELL

When peace like a river, attendeth my way
When sorrows like sea billows roll
Whatever my lot, thou hast taught me to say
It is well, it is well, with my soul
It is well
With my soul
It is well, it is well with my soul
Though Satan should buffet, though trials should come
Let this blest assurance control
That Christ has regarded my helpless estate
And hath shed His own blood for my soul
It is well (it is well)
With my soul (with my soul)
It is well, it is well with my soul

HYMN 3 – GOD BE WITH YOU

God be with you till we meet again;
By His counsels guide, uphold you,
With His sheep in love enfold you;
God be with you till we meet again.

Till we meet, till we meet,
Till we meet at Jesus' feet;
Till we meet, till we meet,
God be with you till we meet again.

God be with you till we meet again!
'Neath His wings protecting hide you,
Daily manna still provide you;
God be with you till we meet again!

God be with you till we meet again!
When life's perils thick confound you,
Put His arms unfailing round you;
God be with you till we meet again!

God be with you till we meet again!
Keep love's banner floating o'er you,
Smite death's threatening wave before you;
God be with you till we meet again!

•HYMN 4 – IN THE SWEET BY AND BY

In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by
Oh, we shall meet on that beautiful shore

There's a land that is fairer than day
And by faith we can see it a-far
For the Father waits over the way
To prepare us a dwelling place there

In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by We shall meet on
that beautiful shore
